A word from our Artistic Director, Dru Rabin...

"We accept all students who register because we believe in the value of experienced students collaborating with students new to the stage. This philosophy ensures every actor is valued, respected and considered for every role and creates a tight knit community of young actors, raising each other up rather than knocking each other down."

- **St. Pete MAD's Musical Production registration is [completed online with St. Pete MAD](#). The tuition includes the registration fee.**
- All grades are noted as rising grades. If you were in 8th grade for the 2021-22 school year, look for productions for rising 9th graders.
